LeComfort

Collezione Nightime

Sede per eccellenza del riposo, del sonno e del sogno, oltre che fondamentale elemento dell’arredo di casa, il letto, nella visione LeComfort, è lo spazio destinato a suscitare un’avvolgente sensazione di familiare rifugio dalla frenesia del giorno. I letti LeComfort sono declinati in una nutrita ed espressiva galleria di stili, tutti accomunati dalla fondamentale cura per il dettaglio e per il design. Il principio della funzionalità esce dalla sfera onirica e si fa realtà: predisposizione a contenitore o struttura rialzata consentono un uso intelligente degli spazi, mentre l’ecletticità dei tessuti di rivestimento, comuni a letti e divani, consente un dialogo coerente tra le unità dell’arredo domestico.

Nightime Collection

The ultimate venue for rest, sleep and dreams, as well as a fundamental element of home decor, the bedroom, according to LeComfort vision, is the space meant to create a haven of relax, far from the hectic pace of the day. The LeComfort beds come in a large and expressive gallery of styles, all sharing a scrupulous attention to detail and design. The principle of functionality takes inspiration from dreams and becomes reality: the predisposition for a container or a raisable structure enable an intelligent use of space, while an eclectic choice of fabrics available for both beds and sofas, allows a consistent dialogue with the home decor.

Design *style*

razionale *rational*
pragmatico *pragmatic*
essenziale *essential*

Presenza calcolata in ogni dettaglio, aspetto dotato di innata sobrietà e pulizia delle forme, estrema attenzione a non invadere il placido spazio circostante, mantenendo con esso un solido equilibrio, nella salda consapevolezza della precisione dei propri confini.

Presence calculated in every detail, appearance with an innate sobriety and clean lines, implemented with extreme care to harmonise with the surroundings. Le Comfort maintains a solid balance of design principles in the firm conviction of the precision within which it operates.

areti essenziali e taciturne, interrotte da ampi occhi di luce, fissano con aria rapta forme morbide e intraprendenti, ospiti frizzanti e loquaci che riempiono i silenzi e favoriscono il dialogo con i più timidi e prossimi complementi d'arredo.

Simple and essential panels, interrupted by wide shafts of light, fix with rapt attention this range's soft yet enterprising lines. Like bubbly and talkative guests that fill the silences and facilitate a dialogue with the more timid of furnishings.

Versatilità e dinamicità invitano al gioco le epoche del passato, in una fitta trama di allusioni e di rimandi a mode trascorse, eppur vive nell'immaginario comune, reinterpretate alla luce dei moderni principi di funzionalità ed estetica.

Versatility and dynamism invoke the influences of the past, weaving a dense web of allusions and references to times gone by, yet still alive in the popular imagination, reinterpreted in the light of modern standards of functionality and aesthetics.

/Una decisa delicatezza sottrae le forme del presente dallo scorrere incessante del tempo, donando loro un'aurea temporale e un'eleganza che non trascolora. Lo spazio non risulta semplicemente riempito, bensì ingentilito da linee che parlano la lingua dell'ordine e della proporzione.

A decisive delicacy extracts present forms from the unceasing flow of time, lending an aura of elegance that time cannot fade. The space is not simply filled, but softened by lines that speak the language of order and proportion.

Nordic *style salvaspazio*

pacifico *peaceful*
fiducioso *confident*
eco-friendly

Volumi morbidi suggeriti da linee pacate richiamano l'intima leggerezza del silenzio che culla il riposo, lontano dai rumori del quotidiano. A dominare è l'armonia, intesa come rassicurante equilibrio degli elementi e positiva apertura all'ambiente circostante, nel rispetto dei più efficienti e funzionali canoni di utilizzo degli spazi.

Suggested soft volumes and calm lines evoke the intimate lightness of silence which promotes rest, far from the harshness of the everyday world. Harmony dominates by way of a reassuring balance of elements and the positive interpretation of the surrounding environment, in accordance with the most efficient and functional usage of space.

Traditional *style classici*

classico *classic*
gentile *gentle*
intimo *familiar*

Sicurezza, stabilità e sobrietà, preziosi frutti dell'esperienza in quanto felice punto di incontro tra conoscenza del passato e consapevole attesa del futuro. Modelli dal **valore intramontabile** sono delicatamente ancorati alla classicità, saldo e invisibile ponte tra antico e moderno che trova metaforica rappresentazione nel **carattere saldo e rassicurante** delle alte linee che definiscono gli schienali.

Security, stability and sobriety, precious fruits of experience and a happy medium between the knowledge of the past and the conscious expectation of the future. Models with timeless value anchored in classicism, a balance of old and new that forms an invisible bridge which finds metaphoric representation in its strength of character and reassurance in its defining lines.

/7 Armchairs *collection*

Piccole isole di relax, le poltroncine LeComfort sono pensate e ideate per richiamare e accompagnare le linee del divano di casa, pur mantenendo una fondamentale autonomia nell'arredo. Disponibili in pluralità di stili, modelli e colori, queste poltroncine sanno abitare inusuali angoli di casa.

Small oases of relax, LeComfort armchairs are conceived and designed to call to mind and accompany the lines of the sofa, whilst maintaining a fundamental autonomy. Available in a variety of styles, patterns and colors, these chairs know how to elegantly occupy even the less used corners of the house.

meccanismi | mechanisms

A MECCANISMO ALZA RETE "CONTENITORE"
"Containitore" lift mechanism

PANNELLI FONDO "RAW" / "Raw" bottom panels

A "CONTENITORE" è il sistema di apertura a compasso che permette di alzare totalmente il piano rete per accedere al vano inferiore del letto.

"CONTENITORE" is the lift system that allows the complete raising of the rest plan to access the lower compartment of the bed.

B "STAY" è il sistema che consente di effettuare movimenti indipendenti per:

- rialzare orizzontalmente il piano per il semplice rifacimento del letto
- alzare totalmente il piano per accedere al vano inferiore del letto.

"STAY" is the system that allows to carry out independent movements for:

- horizontally raise the rest plan for easy bed rebuild
- completely raise the rest plan to access the lower compartment of the bed.
